ROOSEVELT'S ROUGH RIDERS.
Roosevelt's Rough Riders' second an-
nual reunion, to be held at Oklahoma
City July 1, 2, 3, 4, will be an inspi-
ration to young and old and a superb
object lesson in patriotism. It will be
remembered that the regiment was
recruited from the ranks of sons of
millionaires, from the eastern states,
cowboys from the western states, col-
lege students from the leading univer-
sities of the land; a grand ensemble
of brawn, intelligence, courage, and
over and above all a willingness to die
for their country.
These men, the crack of whose rifles
at San Juan was heard around the
world, will again gather to talk over
the stirring scenes when they were
making history and driving the Don-
s from the Western Hemisphere. Nearly
the entire enrollment of the surviving
members of the regiment will be pre-
sent, headed by their gallant leader,
Governor Roosevelt.

ORANGE FREE STATE ANNEXED.

BOXER UPRISING SPREADING.
Special to The Daily Enterprise.

London, May 29.—A news agency
dispatch from Tien Tsin reports the
situation very serious on account of
the spread of the Boxer uprising. The
retreat of several Belgians with their
families has been cut off at Chang Sin
Tien. The Belgians were defending
themselves from the hills at last ac-
counts, but there were doubts of their
safety. The Boxers are burning Feng
Tal. A British guard of only twenty-
five men, in addition to the volunteers
is all there is to protect Tien Tsin.
Several missionaries have been cut off
at Pao Ting Fu. On Monday a dis-
patch from Pekin says that the Feng
Tal railway shops were burned and
some lives lost. A Tien Tsin dispatch
today says that 200 Chinese soldiers
have cleared the railway to Pekin and
service was resumed today. The com-
mander of the Japanese gunboat, At-
akogan, has thirty guards here.

WILL NOT BLOW UP MINES.
Special to The Daily Enterprise.
Klip River, Monday.—The Boers, af-
ter preparing a good position, fled ear-
ly, the train bearing their last detach-
ment being nearly captured by Bil-
kington's West Australians. The pris-
oners taken state that there is no in-
tention of blowing up the mines, de-
claring that the threat was simply
made with the intention of frighten-
ing away the burghers.

KRUGER ISSUES PROCLAMATION.
Special to The Daily Enterprise.
London, May 29.—A dispatch from
Lorenzo Marquez, dated Monday says
that President Kruger has issued a
proclamation warning all people to
leave Johannesburg or remain at the
peril of their lives as it might become
necessary to destroy the town and the
mines. Herr Underlay, proprietor of
a German newspaper at Johannesburg
interviewed President Kruger a few
days ago about the mines. Kruger
told him Johannesburg was at the end
of the mines, and that they would be
blown up.

city on forged bonds of the state of
Virginia was today sentenced by Judge
Newberger to twelve years and six
months in Sing Sing.

**TO OBSERVE THREE DAYS OF
PRAYER.**
Special to The Daily Enterprise.
London, May 29.—Pretoria advices
say that the British occupied Zeerust
Monday, and that a large force is mo-
ving on Lichtenburg. President Kr-
uger ordered Sunday, Monday and
Tuesday to be observed as special days
of humiliation, confession of sin, and
prayer for the preservation of their
country's independence.

THE SITUATION IN CHINA GRAVE.
Special to The Daily Enterprise.

Shanghai, May 29.—The Russian
minister at Pekin has telegraphed his
government asking that all available
gun boats be sent to Taku. It is be-
lieved that Russia is about to land
troops at Taku from Port Arthur,
where they have 20,000 men in readi-
ness. The Chinese are reported to be
sending large masses of troops over-
land from Hunan and Kiang, but Gen-
eralissimo refuses to assume com-
mand on account of sickness. The
Boxers assert they are confident of re-
ceiving the support of the dowager em-
press, Princess Yang Yi and Ching
Tuan and the entire Manchurian army
throughout the north. The Boxers are
enlisting hordes of desperadoes, and
they are intent on expelling every-
thing foreign.

THE TRANSVAAL SITUATION.
London, May 29.—A special cor-
respondent of the Daily Mail sends the
following to his paper:
Lorenzo Marquez, May 28.—I have
just returned from Pretoria, which
place I visited at some risk in dis-
guise. The state of demoralization in
the Transvaal is remarkable. Panic
and confusion prevail everywhere. Ev-
ery one is weary of the war and full
of fear of the coming of the British
troops. President Kruger had all ar-
rangements made for immediate
flight, presumably to Holland. A spe-
cial train, provisioned, always ready,
with steam up, waits some distance
from Pretoria. Last Sunday the gov-
ernment consigned to Holland thirty-
six boxes of bullion, insured 6500
pounds per box. Not much gold is
likely to be found in the treasury. The
seat of government will be removed to
Waterval Boven, a small station on
the Delagoa Bay railway line; then,
if necessary, to Lydenburg.

In Johannesburg there has been a
decided change in public opinion which
has become quite English. The burgh-
ers on commando are singing "God
Save the Queen," and cannot be stop-
ped.

I have excellent reasons for be-
lieving that the Bewaarplaatsen rights
have been sold to a French syndicate
without the sanction of the Volksraad.
The government hopes by this means
to bring about French intervention for
the protection of French rights in the
Witwatersrand, and thus cause Eng-
land grave difficulties.

London, May 28.—Lord Roberts an-
nounces his arrival at Klip river, eight-
teen miles from Johannesburg.
London, May 28.—(Midnight)—The
war office, just before midnight, pub-
lished the following dispatch from
Lord Roberts:
"Klip River, Transvaal, May 28.—
(5.25 p. m.)—We marched twenty miles
today and are now only eighteen
miles from Johannesburg. The ene-
my had prepared several positions,
where they intended to oppose us, but
they abandoned one after the other as
we neared them.
"We pressed them so hard that they
had only just time to get their five
guns into train and to leave as soon
as some of the West Australian infan-
try dashed into it.
"French's and Ian Hamilton's forces
are apparently engaged with the en-
emy about ten miles to our left, as
firing has been heard since noon.
"The farmers near our line of ad-
vance are surrendering with their
arms and horses.
"Rendie occupied Senekal on May 24.
No report of what took place has yet
reached me."
